COATS FOR THE CITY

COAT DRIVE

We are working alongside many churches in coordination with the North Carolina Baptist Convention to reach out to our community and collect coats for the COATS FOR THE CITY missions trip to New York City, NY on December 7th, 2024.

Each year NC Baptist collects coats from all across the state, and distributes them to people on the streets in NYC, along with the Gospel of Jesus Christ. In 2023 10,000 coats were collected and distributed, and many professions of faith were made! We believe that 2024 can be even stronger and leave a bigger impact on the Big Apple.

Bring any new or gently used coats to our Fall Jesus Jam coat drive, and be a part of that impact! If you are unable to attend Jesus Jam, but you would still like to donate please reach out to Pastor Rodney Baker (919) 628-7102
